MPA Tournament registration for the PA Bar Box Tournament.

To do anything on the MPA Site other than browse requires that you log in, and that starts with a Userid and Password. To make things easier for this tournament we have created initial accounts for everyone that has played in this tournament within the last 5 years.

If this is your first time playing in this event you probably will not have an account in the MPA system, in which case you will need to create one. Please do NOT create duplicate accounts!

From the https://mpapool.com home page.

Click on join MPA and fill in the requested information. Note that you need to respond to the registration email before you can login and complete the following process.

All of you that have previous played in this tournament you now have credentials. Where your Userid is your first name, last name and suffix. The suffix will only affect a few people so if you are a JR or SR your may need to consider that before trying to log in.

For example, Lisa Bailey will have a userid of lisabailey and a password of PABarBox (case sensitive). Note that everyone starts with the same password so you should change it once you logged in.

To start, you will need to navigate to https://MPAPool.com.

Click on Log in.

Log in.

Use a local account to log in.

Email / UserName / PlayerNumber

Password

Lisa Bailey

Player Number: 15062

User Name: `LisaBailey`

EMail Address:

Phone Number: `(999) 999-9999` ×

Roles: Member

[Update]

- You can modify any of these fields for your user account.
- Changing the *UserName* will permanently affect the way you log into the system. You will need to remember this new value in order to logon.

- The *EMail address* is used to reset your password. So this needs to be correct if you ever forget your password. A reset message will be sent to this EMail address that will allow you to reset the password. You can also use this EMail address to Login.

- The *Phone Number* can also be used to receive a password reset token. This can be different than your player phone number used for match notifications.

iNORBERG-PCW10

From here you can/should at a minimum change your password. You will also want to add a valid email address. If we have your email you will get payment notifications. So if you pay with a credit card you will be sent a receipt.

Now you are ready to go.

On the home page divisions, you can register for are now highlighted.

Welcome to the MPA Pool players web Site.

2019 - 2020 Season
